Fall

Don't forget to update your information in OneCall

Buckley Family Housing uses a Reverse 911 calling and email system that delivers important messages to all of our residents. If you would like to add or remove phone numbers and email addresses from our contact list, please visit www.buckleyfamilyhousing.com and go to the "contact us" page. Scroll down until you see the One Call Now Family Profile banner, click where it says, "Add Contact Info". You will log in to your family profile using the last name of the Service Member and telephone number.

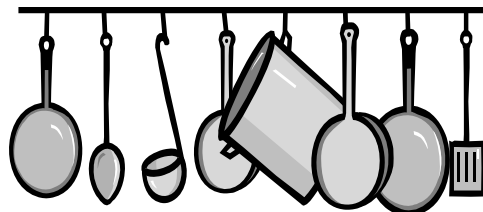

If you have any questions, please contact the office.

Monthly Cooking Class....

Riki Levinson, will be offering a monthly cooking class to Buckley Family Housing Residents. Riki is a military spouse who has several years of cooking experience! For those of you who want to expand your culinary skills, this will be a great class!

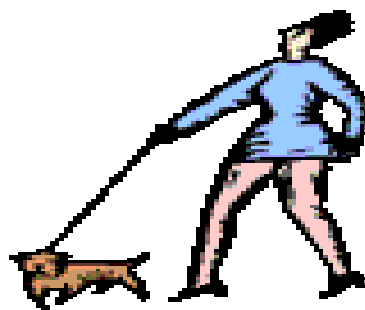

Please contact the office for details.

Reminders:

- Halloween is on a Sunday this year and we expect lots of little ghouls and goblins! The official Trick or Treat hours will be 4:30pm until 8:00 pm. If do not wish to participate in the Trick or Treat, please be sure to turn off your porch lights.
- Please ensure that everyone in your household wears a helmet if they are biking, on a scooter, skating, or skate boarding. Security Forces can fine each individual \$35.00 for not wearing a helmet.
- The sprinkler systems will be turned off during the month of October. The landscaper will be blowing out the water lines over the next few weeks.
- We receive complaints regarding pets almost daily. Please ensure that you are not tying out your pets and leaving them unattended. Only two walking pets are authorized per household. All residents are responsible for picking up after their pets!
- If you need to place a work order, please contact the 24-hour Maintenance Request line at 303-340-0066.
- Every time a work order is completed, except in some Emergency situations, the Maintenance Technician will leave a Maintenance Survey Card. Return the completed survey card for a chance to win a drawing for a gift card!
- Keep in mind, once the snow starts to fall this winter, it is the responsibility of each resident to shovel their driveways and sidewalk in front of their home. Remember to watch for Freeze Warning signs and take any necessary precautions to avoid frozen water lines!
