

COMMUNITY DIRECTOR UPDATE FEBRUARY 1, 2026

COMMUNITY NEWS

Greetings, Valued Residents! A friendly reminder during the winter season – when freezing temperatures are in our area, it is imperative that you keep your heat on and set to a minimum temperature of 65 degrees, and to drip faucets to prevent frozen pipes.

MAINTENANCE TIPS

Help keep your home warm this season! Ensure all windows are shut and locked (secured), as this will help prevent cold air from entering. Close blinds and use shades to also help keep warm air inside. Going out of town? Make sure your heat stays ON!

A reminder that we also supply ice melt and shovels at Self Help to assist with snow removal!

RESIDENT REVIEWS

★ “Valorie & her team were extremely responsive & on top of the situation. Bill was very professional & friendly. I am grateful for the team & the level of attention & dedication to the community.” – The Bohorquez Family

TEAM UPDATES

We are so excited to welcome our new Maintenance Director, Ignacio! Ignacio served in the Army and eager to get to know and serve our community!
