RESIDENT REVIEWS

★ "I can't say enough positive and great things about the maintenance crew in the Buckley Family Housing. They are amazing. Bill, as always, is professional, courteous, and very customer-oriented. It is always refreshing for me to experience people with such great work ethic, perfectionism and pride that he takes. Bill instills the core values of someone who is dedicated to the job. As always, hats off to the entire maintenance crew." – The Nolen Family
