

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2026

COMMUNITY NEWS

Greetings Valued Residents,

A friendly reminder regarding the Electric Vehicle Charging Program! Any residents who wish to charge their EV's within the housing community should contact our office at (720) 844-0800, and we will be happy to share Air Force policy regarding this program.

It is imperative that residents who wish to charge do so in accordance with Air Force policy. We also hope to see you at the Utility Town Hall this month to get information on the RECP Program here at Buckley – be on the lookout for more details!

MAINTENANCE TIP

Smell burning when turning your heat on for the first time this fall or winter? Don't worry! That is the smell of dust burning off.

If you do have concerns when turning your heater on for the first time, please contact us and we will be happy to assist you!

RESIDENT REVIEW ★★★★★
