! MONTH OF THE MILITARY CHILD

Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military members serving at home and overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and some have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Cold Weather Friends Are Appearing Everywhere At Buckley!!

A Message From Maintenance:

We are still in the ending of winter time and could get freezing temperatures. We are requesting that everyone watch the weather and remember to monitor your doors and windows to keep any cold temps out. We know the Colorado spring is crazy. We encourage residents to take advantage of fresh air, but, also ask you to insure windows are closed properly and tight. Self-help has ice melt supplies on hand to help keep your walks clear of ice after shoveling.
