BUCKLEY SPACE FORCE INSIGHTS NEWS & STORIES

CELEBRATE SUMMER!

Our President's Message

Dear HMC Residents, I am honored and humbled to be a part of the Hunt Military Communities' family. As the new CEO, I look forward to continuing with the company vision of providing 5-Star Service and excellence in housing.

As a former Marine, I understand first hand the challenges service members and their families face when moving to a new community and the importance of providing quality housing. Over the next several months, I will be visiting many of our HMC communities with the intention of meeting residents, touring homes, and looking for ways to make your living experience the very best it can be. I will tirelessly search for ways Hunt Military Communities can improve our service delivery and homes to enrich the lives of our residents. Our nation's military service members became my heroes after two combat tours in the Marine Corps, and I greatly look forward to serving our military families. As always, we want your feedback, and our Hunt Promise Helpline (<https://www.huntmilitarycommunities.com/contact-us>) provides an easy way for you to share your feedback or address concerns that have not been appropriately tended to at the site level. Transparency and open communication will help HMC to provide you great service. Brian Stann CEO Hunt Military Communities

The Hunt Heroes Foundation plans to offer this scholarship on an annual basis. For more information, visit www.huntheroesfoundation.org or www.scholarshipamerica.org

Insights & Events

Community reminders

- * **Kiddie pools** — small pools are permitted to be used in housing. We ask that when not in use all pools be completely emptied and put away.
- * **Trash/recycle bins**—all bins must be brought back in once trash/recycle has been picked up for the day. This will help alleviate rodents and other animals within the housing area. Any large items such as furniture, boxes, etc. can be dumped in the roll off dumpster located just outside of our community management office.
- * **Street parking**—please be advised that vehicles are not permitted to park on the street/sidewalks for more than 48 hours. Vehicles that are parked on the street will be subject to tow.
- * **Slow down!!!** Please advise that the speed limit throughout the housing community is 15mph. In order to ensure everyone's safety it's all our duty to maintain the speed limit.

Maintenance Corner: Proper Air Conditioning use

Beat the heat the rest of the summer season without damaging your AC! We advise residents to set their thermostats no lower than 72 degrees. Setting your thermostat to a temperature lower than 72 degrees will likely aid in over running your AC unit which will lead to it not cooling/working properly. When running your AC—please make sure all windows/doors are closed to allow for proper cooling in your home and without wasting energy! Need any assistance with setting your thermostat? We are happy to help! Contact our maintenance line for any assistance at 303.340.0066. Stay cool!

Terra Care mow schedule
