# BUCKLEY SPACE FORCE INSIGHTS NEWS & STORIES

## CELEBRATE BACK TO SCHOOL!

### A message from the Community Director

### Our President's Message

As PSC season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspires us to continually improve our service delivery at Hunt Military Communities. During September we will have several community-wide focuses. September is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families. The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation. Thank you for allowing us the opportunity to serve you.

Brian Stann CEO Hunt Military Communities

Greetings! The COVID-19 situation in Denver and surrounding areas continues to evolve. We are adapting while also continuing to meet all of your service needs. As of Aug 30th there will be operational changes to the Buckley Family Housing office.

As part of Hunt's commitment to providing great customer service we want to promote the healthiest environment possible for both our team members and our families. Our office staff has moved to a rotating and modified remote schedule. Our main office hours and front access door remain open, however, we highly encourage residents who need assistance from our office to please contact us via phone or email to make an appointment. This will allow us to limit the amount of traffic in the office at any one time. If you do come to the office you will see most of our doors closed as only certain people will be assigned to work with walk in traffic each day.

Our maintenance staff will continue to respond to all resident work orders at this time. When they contact you our technicians will be asking the 4 questions that has been our policy for the past year. If you are able to answer "no" to all the questions the technician will come to your home and perform the necessary repairs. **While the technician is in your home we ask that all residents wear a mask or be outside of the area that the technician is completing work in.** Our technicians will continue to wear PPE and will sanitize the work area before and after repairs are made.

In addition, here are a couple of reminders:

Work orders should be submitted via the Resident Portal, by email to our office or by phone only. If you are experiencing a fever, coughing, shortness of breath or other flu or cold related symptoms, we will only perform work in your home if it is an emergency. Examples of emergency work orders are as follows:

- No heat or AC
- Smell of gas in or around the home
- Drain or sewer back-up and/or toilet overflow continuing to run out of toilet
- Toilet back-up or stoppage
- Property damage
- Fire or wind damage
- Flood or water leak

The wellbeing of our residents has always been of utmost importance to Hunt and we're as committed as ever to providing you with the highest quality of service. We will continue to keep you informed about our efforts to prevent the spread of coronavirus and measures to promote the healthiest environments possible. If our office can be of any assistance, please contact us at 303.340.2066 or at [buckleyleasing@huntcompanies.com](mailto:buckleyleasing@huntcompanies.com) or feel free to reach out to me directly.

Thank you and stay healthy!

# Insights & Events

## Community reminders

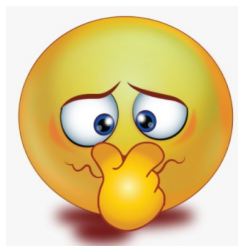

- \* **Slow down!!!** Please advise that the speed limit throughout the housing community is 15mph. In order to ensure everyone's safety it's all our duty to maintain the speed limit. Watch out for the kiddos now that school is back!
- \* **Got junk?** We do have a large roll off dumpster located in the parking lot near the Community Office. We ask that any items that you wish to drop off be placed inside the roll off. Large items to get rid of? We advise contacting places like Got Junk or Goodwill!
- \* **Pet policy—leashes!** We would like to remind all residents that any dogs that are outside must be on a leash (*unless they are within a fenced in yard*). We would also like to remind residents to please help keep our community clean and safe by picking up after your pet!

## Maintenance Corner:

### Garbage disposal MYTH

Got a stinky disposal?? Thinking about putting lemons down the drain to get the stink out? MYTH! Putting lemons down the disposal does not make the smell go away. Need some disposal cleaner? We got you covered! Call our maintenance line and we will be happy to assist you.

## Terra Care mow schedule

Tuesdays - Keystone

Wednesdays— Winter Park & Monarch Street & Way

Thursdays - Powderhorn & Monarch Court

Please ensure all items are removed from your backyard to allow mowing. **\*\*Mow crews will not mow fenced in backyards.\*\***

## Events/Contests

### 9/11: NEVER FORGET WALK

Participants will gather at 8:30 am outside the Community Center, conduct a moment of silence at 8:45, followed by a mile walk throughout the base. Join us as we honor those who lost their lives on 9/11.

**"What does it mean to be a Patriot"** video or essay contest. Winners will be announced on September 10th.

### 9/24 : Suicide Awareness Month

September is National Suicide Awareness month and to focus on this important subject, we have planned a webinar on September 24 from 3-4 pm EDT. The webinar is open not only to residents but to anyone who wishes to listen in. We will feature four speakers and then open the webinar to questions.

### 9/27: Helping Hands Food Drive

Hunt Helping Hands Day will be another food drive. Food insecurity is a growing concern for many of our military families. We hope to launch the food drive from September 27th – October 4th. We will once again ask residents to donate non-perishable food or baby items.

**\*\*Look for these details and more on our social media and your email! We will be sending more details and flyers regarding these events! If you do not receive our emails please contact us!!\*\***

## Back to School!

We want to wish all of our school age kids a happy school year!! Have any first day of school pics? Share them on our Facebook page! And don't forget about Cookie Wednesday! Come by after school for a yummy treat!
