2022 NEWS & STORIES

Enjoying the change in season!

Our President's Message

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods of time. We are

proud to acknowledge and support the tremendous strength and resiliency of our military children, along with the sacrifice. This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero and positive in-uence in their community. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice. For more information please visit https://www.huntheroesfoundaiton.org.com. From all of us here at HMC, thank you for your service and sacrifice.

Greetings Buckley Community,

We are so excited for spring and look forward to warmer weather! We hope you enjoyed the St Patrick's Day ice cream social—we did! As we head into the spring and summer seasons we will be planning a lot of events that we hope you will enjoy. Any events specifically that you would like to see? Email us your ideas! We welcome ideas from you and those can be sent to the buckleyleasing@huntcompanies.com email.

It's been a few months since the CEL Satisfaction Survey ended and we have yet to receive those results and feedback. Once we do receive that we will be sure to let you know what that feedback was and what our action plan is as I feel its important you all are aware of what we are actively doing to ensure your experience here is a pleasant one and hopefully a long lasting stay!

Don't forget! We have a new phone number. Should you need assistance please call our new number at **720.844.0800**. Please update our contact number and remove the old number!

We are a few weeks into the Resident Utility Billing Reduction Initiative and are excited about this project—see attached flyer. This initiative is geared toward upgrading your home to be more energy efficient and therefore reduce your utility cost/usage. We would love your feedback on this if your home has since been completed. Please note—we will email you one week before your install date then again 24hrs before your install. Please be on the lookout for that notification as we do not require permission to enter for this project! Not sure if we have your email—call us!

I hope you and your family are staying healthy and enjoying the change in season!

Insights & Events

Community Reminders

- Got trash/bulk items?? Don't forget! We will have an additional roll off dumpster located in the maintenance parking lot on the last Thurs of every month to assist with any additional trash or bulk items you are looking to get rid of. Please do not leave bulk items at the curb—items left at the curb will be subject to a violation and/or fine.
- **Trash bins**—A friendly reminder that trash pick up is every Thurs. Bins should be placed out Wed evening or Thurs AM.
- Pet reminder—please make sure pets are on a leash when outside (unless in a fenced in yard) and that pet waste is being removed!

Maintenance Corner

Help us help you!

If you have a maintenance request submitted or you need to submit a request—please make sure you are submitting correct contact information so we may reach you. If we attempt to contact you and cannot reach you, your request may be cancelled. We want to ensure all maintenance

requests are responded to and completed in a timely manner. Thank you!

Utility Billing Update

A friendly reminder to all residents that we are in the process of getting caught up on the delayed utility billing. In order to catch up, resident bills are coming more frequently, however, they are still generally for 30 day billing periods. We anticipate being caught up after residents receive their bill in May of 2022. Residents are not being double billed.

Please keep in mind that although the utility charges are still in arrears and being caught up, you continue to receive the full monthly utility allowance credit from your BAH each month, and that credit received is to now be applied toward the current utility charges presented for payment.
