CELEBRATING MOTHERS & REMEMBERING HEROES

Our President's Message

Memorial Day is a time to remember and honor the fallen service members who died serving our country. This does not mean we spend the weekend only mourning those who made the ultimate sacrifice, rather, we spend this time in remembrance of these brave men and women while doing things we love with the people in our lives we cherish most. This is a weekend to celebrate our freedoms while thanking those who fulfilled their oath to serve this country with their lives. We honor their memory and sacrifice through our gratefulness. The Hunt Military Communities Team is consistently in awe of your selfless service, and we do not take for granted the dangers of your career. This Memorial Day we will all take time to reflect on the lives lost in service to this country and celebrate them with our remembrance and gratitude. We are thankful for your service each day, but weekends like this remind us just how special your oath to this country truly is.

Semper Fidelis,

A message from the Community Director

Greetings Buckley Community,

It's hard to believe that we are entering the season of school coming to an end, pools opening and BBQ's. We are so excited to celebrate all of our Mom's out there and take time to remember all of the fallen and current heroes. We have some exciting things planned this month and over the next summer months. We'll start by hosting an event for Mother's Day—see what events we have happening on the next page. And don't forget Cinco de Mayo! Happy Cinco de Mayo to all of the families that celebrate such a great day. Before we celebrate our heroes on Memorial Day weekend we will be excited to celebrate pool season! Our goal is to open the pool Friday May 27th. ****Please note that our office will be closed on Monday May 30th****

As we head into May, we would like to look back at the awesome month we had in April. We celebrated the month of the military child and hid purple balloons every Friday for them to find and gave out goodie bags to the finder! We enjoyed hosting the egg basket decorating event which was very successful. It was so great to see all the kiddos decorating and filling their baskets! We would like to thank the families who came out to help us celebrate Arbor/Earth day on the 29th. We planted five new trees and encouraged residents to take part in our community garden. If you haven't already signed up be sure to email us and we will be happy to assign you a plot for the season!

As always, we thank you for being a part of this wonderful community and we look forward to seeing you this month!
