

MILITARY SPOUSE EMPLOYMENT PARTNERSHIP

Hunt Military Communities announces a new partnership with the Defense Department.

On October 25, 2022, Hunt Military Communities will join the Defense Department Military Spouse Employment Partnership in an in-person induction ceremony and annual event in Arlington, Virginia. Hunt Military Communities joins more than 70 new partners to MSEP — bringing the number of employers to more than 615.

MSEP connects military spouses with hundreds of partner employers who commit to recruit, hire, promote, and retain military spouses. Since its inception in 2011, MSEP employers have hired more than 220,000 military spouses.

OUR CEO'S MESSAGE

Dear HMC Residents,

By now, you should have received your link to the Tenant Satisfaction Survey. I encourage you to complete this short survey as your feedback is incredibly valued. The collective feedback will help us understand areas of opportunity to improve your living experience, while also gaining feedback on the areas you enjoy so we can give that greater focus.

Recently, we completed focus groups in each of our communities. Thank you to the residents who participated and shared their candid feedback. We have identified areas of opportunity from your sentiment that are being prioritized for 2023. We look forward to continued dialogue with our residents on how we can collectively continue to make living on base a great experience.

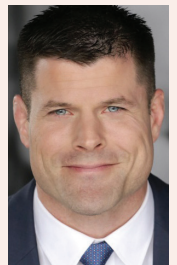

On November 11th, we will honor our many veteran residents who unselfishly answered the call and served our great nation in the name of duty, honor, and country. The entire HMC team is grateful and proud of their many sacrifices, and we want to be the first to thank you and your families for your service to our nation.

Lastly, we want to wish you all a Happy Thanksgiving. I hope you can all make meaningful memories with your loved ones, and for those families with a deployed service member, we are both grateful and humbled by the sacrifices your family makes for all of us.

As always, thank you for allowing us to serve you.

Semper Fidelis,

Brian Stann

COMMUNITY ANNOUNCEMENTS

Greetings, Buckley Community!

As we head into the month of giving thanks, on behalf of our Hunt Team here at Buckley, I would like to thank you all for being our residents and a part of our community. We appreciate your feedback and understand that we ask for feedback on a consistent basis; we appreciate you taking the time to complete the StatistFacts survey after moving in, as well as after each service request is completed.

We ask for your feedback now more than ever with the Annual Resident Satisfaction Survey (CEL). This is a very important survey for us, and our goal this year is to receive a participation rate of 40%. The survey launched on October 17th and goes on until December 1st—if you haven't received a survey, please reach out to us, and we will ensure you get that. If you have completed the survey—THANK YOU!!

We have some fun events planned this month, as well as in December—we hope to see you at those, and we hope you all have a lovely Thanksgiving holiday.
