## HMC Electric Vehicle Charging Program

### EV CHARGERS

We are excited to announce our collaboration with TRO Energy Solutions, Inc. (TROES), to introduce a pilot program for Electric Vehicle (EV) charging in select communities. This program will provide in-home Level-2 EV charging to military housing residents, aligning with our commitment to sustainability and energy resiliency goals outlined by the Office of the Secretary of Defense.

Our pilot program will kick off at four of our military bases: Barksdale Air Force Base (Shreveport, LA), Fort Sam Houston (San Antonio, TX), Joint Base Pearl-Harbor Hickam (Honolulu, HI), and Marine Corps Base Hawaii (Kailua, HI). These locations have been selected to cater to the growing interest in Level-2 fast charging among residents in military housing communities.

This initiative aims to position HMC as one of the pioneering military housing operators in the U.S. to offer a comprehensive residential EV charging solution, demonstrating a forward-thinking approach to sustainability-focused infrastructure.

## COMMUNITY ANNOUNCEMENTS

### Stay Informed & Engaged

#### A MESSAGE FROM THE COMMUNITY DIRECTOR

It's hard to believe that Spring is here! I am sure you are as excited for warmer weather as we are. As we head into Spring, we have some fun events planned and capital projects that will be completed to include mitigation/repairs to the walking path and installation of a new pool heater so we will be ready to go for pool season!

Our annual Tenant Satisfaction Survey will launch on March 4th, 2024. This survey is crucial in letting us know where we are doing well in maintaining the community and serving our residents or where we need to improve. **YOUR FEEDBACK IS NEEDED!** We also use the survey results to help us identify and plan for future projects in the community or homes to budget and plan for. The survey links will be sent from the Air Force ([AirForceHousingSurvey@celassociates.com](mailto:AirForceHousingSurvey@celassociates.com)) to the primary email address on file. If you have any questions, please contact our leasing office. I thank you in advance for your time and feedback. Once we receive the results and review them – we will send a follow-up email to residents with what items we identified in the results and our way forward on addressing those items. More to come!

Thank you for your continued residency here at Buckley Family Housing!

Amanda – Community Director
