COMMUNITY NEWS

Happy New Year to all of our valued residents!

I hope you and your families had a wonderful holiday season and great start to the 2025 year. We are excited to be in the new year and we look forward to our major annual events like the Tenant Satisfaction Survey that will launch in March, as well as our final phase of the exterior paint project that will begin in April.

Another big change heading into the new year is the Utility Program.

We held a Town Hall in December to brief residents on the new program which includes **moving to collecting full BAH effective January 1st**. We have now entered into a three-month MOCK billing, and we will be holding a Q&A Town Hall this month on the 29th.

I encourage you to attend the town hall should you have any questions regarding the new program or the mock billing. We value your residency and look forward to another year serving you!

Please see the attached 2025 VM Services Schedule to confirm your collection day or recycling week.
